WATCH OUT FOR YOUR FINGER, MR. MAYOR . . . Mayor John M. Chargin, with the assistane of his wife, Betty, and daughter, Jeanne Marie, puts up his new house numbers at their residence on Memory Lane. A recently adopted city ordinance establishing the new numbering system makes it mandatory that local residents affix their new numbers by July 1, 1956.—Campbell Press photo.

Numbering Plan Finds Rough Going in Spots

House renumbering in Campbell under the recently adopted city ordiance slowed down a little this week as the office of the building inspector was forced to double-check a number of cases where several dwellings were on one piece of property.

In the meantime the county was asked to enter the local renumbering picture by Postmaster Ira H. Grim.

In a letter to the Board of Supervisors the local postmaster suggested that the City of Campbell be empowered to assign house numbers on all streets in the Campbell mail district.

In his letter to the county board Grim pointed out that his office had been requested by the Post Office Department to discontinue furnishing house numbers but that the local mail district extends beyond the city limits and no provision is made to have these areas renumbered.

"It is my opinion", the postmaster told the board in his letter, "that the City of Campbell should be allowed to do the numbering in order to give the Campbell mail district a uniform set of numbers, that would not have to be changed each time a street or section is annexed to the city."

Nestor Barrett, planning consultant, told the City Council on Monday night that the superviors referred the matter to the county counsel and county administrative officer. The Council was agreeable to extend the city's numbering system into county territory as long as the city would not have to pay for it. The City Dads authorized Barrett and Joseph Bonacina, city attorney, to meet with county officials to see what could be worked out.

Barrett also told the Council that resident in the county territory have had difficulty recently in getting numbers issued from the county and that it has developed into a vicious circle. The county has referred the people to the local post office which now cannot issue numbers. The people as a result have been left in "no-numbers land".

W. L. (Bud) Morser, building inspector, said that he estimates his office has assigned approximately 250 new numbers under the new system of the approximately 2500 that will be needed within the city limits. Because of the personal check-ups that must be made in some cases and because of the other work that his office must do, he was not sure whether the job would be completed by the July 1 deadline.

He urged residents to cooperate in the change-over and said that the local post office was working closely with his office in the assignment of numbers. He emphasized that even those who get their mail at the post office should also have house numbers assigned to them.

Bar, Rest Home Draw Frowns of Commission

Campbell City Planners showed no favoritism in their official frowns last Thursday night.

In two actions affecting vastly different types of operation, the planners (1) protested to the County Planning Commission the relocation of a cocktail bar on Campbell Ave., and (2) objected to a proposed rest home on the Santa Clara-Los Gatos Road.

In both cases the Campbell Planning Commission action resulted from applications before the County Planning Commission. Both the cocktail bar and the rest home are in county territory, although adjacent to the city limits.

Camel Inn

The Camel Inn, located on Campbell Ave., now operating on a use permit from the county will lose its present location because of Route 5 cutting through. The owners applied to the county commission for a use permit to operate in a new location.

Local planners point out that, although the bar is not within the city limits, Campbell Ave. is, and any relocation must consider that a setback will be necessary in any future planning for the widening of Campbell Ave.

The City Planners also advised their county counterparts that because of the bar's nearness to the city, local police, because of their control of the street must enforce traffic violations near or at the location. They felt that the city for that reason would always be vitally concerned with the bar's operation.

Rest Home Different

The rest home situation was of a different complexion. The proposed rest home would be located on the east side of the road opposite Sunnyoaks Ave., on the Santa Clara-Los Gatos Road. It would be in area that is contemplating annexation to the city as a light industrial zone. The local planners felt that it would not be wise to have a rest home in such an area as a non-conforming use.

In other actions, the local commission:

1. Passed a resolution giving the commission architectural control over all commercial buildings by changing all present C-2 zones within the city to "C-2-S" classification.

2. Adopted a resolution classifying car wash business as a C-2-S zone with use permit.

3. Approved a zone change from R-1 (single family) to R-2 (multiple dwelling) for two lots in the Sunberry Gardens, Unit No. 2 although the lots did not have the required square footage. Phil Sondeno, of the firm of Camp and Sondeno, tract subdividers, explained that it was economically unsound for his company to have the lots remain single-family in the face of the extension of a street in the tract.

P. R. Angel, 295 Sunberry Ave., protested the change because he said he had bought into a single-family area and wanted it to remain that way.

Holding Pond Guest

4. Approved the elimination of the proposed "holding pond" for drainage purposes in the Ampex Subdivision Unit No. 2 to be located at the end of Dunster Way at the rear of the Campbell Shopping Center at Latimer and Winchester. In place of a holding pond horizontal dry wells will be used for drainage and will allow the subdividers to build on four joined lots. In addition, the subdividers explained, FHA does not approve of holding ponds thus handicapping the financing of building.

JUNIOR RIFLE RANGE OPENS ON SATURDAY

More than 100 youngsters are expected for the sign-up at the Junior Rifle Range this Saturday at 9:30 a.m. The range is located at the main gate of the Western Gravel Co. at Railway and Kennedy avenues.

The Junior Rifle Range is sponsored jointly by the Campbell Police Department and the Police Auxiliary and the range will operate every Saturday morning during summer.

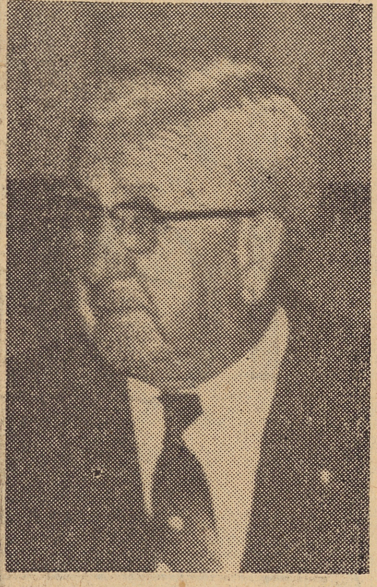
All boys participating must furnish their own .22 caliber rifles and those who do not have their own rifles should attend the first meeting before buying their guns, the police advise.

All boys who took part in last year's program should re-register this year and their fathers are invited to attend the meetings. For the present, classes will be limited to those living within the city limits of Campbell

According to the local police, instruction will be given in all firing positions and strict supervision will be exercised at all times. Competitive shoots will be arranged at regular intervals for those who qualify. An additional feature this year will be the selecting of relay teams for monthly match competitions.

LEGION ELECTS

The annual election of officers for the West Valley Post No. 158, American Legion (the merged posts of Campbell and Los Gatos) will take place Friday at 8 p.m. in the First National Bank building, 308 N. Santa Cruz Ave., Los Gatos.



WINNER . . . Raymond B. Bishop, long-time Campbell Union High School District was reelected trustee last Friday by polling 403 votes, defeating Edwin B. Jennings with 377 and Thayer Lyons with 188. In the elementary district, John Dixon with 258 and Tom Mansfield with 242, incumbents, were reelected. Harold H. Seyforth, the third candidate received 88 votes. In Cambrian, Monte G. Estabrook and William G. Sartorette were unopposed as were Robert W. Brydon and Vincent Carter in Moreland. Dr. W. R. Morgan, Campbell dentist, and for 12 years member of the Union Elementary School board went down to defeat

Council Overrules City Planners for First Time

Local history was made Monday night when the City Council for the first time overruled a Planning Commission recommendation. And the City Dads did it twice in the same meeting!

In one instance the City Council by a 4-1 vote denied the application of Mr. and Mrs. Joseph R. Russo to change a residential to a light manufacturing zone on Whitehall St. and in the second by an unanimous ballot allowed M. Tock a zone variance in order to construct a three-unit dwelling on E. Campbell Ave.

Planners Okay It

The City Planners had recommended that the zone change be allowed on Whitehall St. in order for the Russos to construct a sheet metal warehouse on a L-shaped lot they had purchased on that street. The commission had taken this action by a divided vote after a public hearing had been held on the matter.

Residents on Whitehall St., a thoroughfare not dedicated to the city, vehemently protested at the Planning Commission hearing the zone-change and the same residents were represented at the City Council meeting Monday by Judge Martin Walsh, who had presented a petition on their behalf to the City Council.

Russo, a contractor, was also present at the meeting, showed illustrations of his proposed warehouse and explained that the building would house only building ing materials. He was questioned at some length by Walsh. Russo claimed also that the values of the residences in that area would not suffer by his warehouse and that the area lent itself to being a manufacturing zone.

"Spot-Zoning"

Council members, however, felt that allowing the zone-change would be in effect "spot-zoning" and for that reason denied the application. Councilman Charles Rose voted for the change but he was overwhelmed by the votes of his fellow members, Mayor John M. Chargin, Richard Morton, Myron Fairchild and Jim Arends.

In the other refutation of a Planning Commission action, M. Tock was given the necessary zone variance to build a three-unit dwelling on his property at E. Campbell just off the San Jose-Los Gatos Road.

Tock had been granted a use permit by the Planning Commission to build the apartment house in the C-2-S zone but the commissioners had disapproved the variance. The variance was necessary because the proposed building would not have large enough setback. The planners had taken the action after he had refused to reverse his plan so the building would have its front rather than its back to the neighbors.

Tock was represented before the Council by Attorney Hayd Leve of Los Gatos who said that the neighbors had written letters favoring the proposed plan. He considered the Planning Commission had exceeded its authority in asking the Tocks to reverse their plans. The Council apparently agreed and voted unanimously to grant the variance.

In other actions, the Council

1. Offered no objections to annexations filed by Los Gatos, San Jose and Santa Clara.

2. Gave the first reading of the ordinance bringing 3.7 acres into the city. The property is located on the southwest corner of Union and Campbell and is owned by Mr. and Mrs. Tobia Saliccia.

3. Received no bids for the sale of the house located at Hamilton and Winchester and directed Joseph Bonacina to negotiate for its sale by other means.

4. Approved the elimination of a holding pond in the Ampex subdivision.

5. Established a M-1-S zone for area near the south of Kennedy Ave., recently annexed to the city.

6. Directed the Planning Commission to hold public hearing on the change of zones on the San Jose-Los Gatos Road between Hamilton and Campbell avenues.

7. Directed the mayor to notify FHA that the city wauld do all in its power to comply with the necessary requirements for the storm drainage project in the Los Ranchits subdivision on Latimer Ave.

San Jose Wants Hamilton Ave. as Boundary Marker

After first asking for Hamilton Ave. as the boundary between Campbell and San Jose, San Jose presented a "compromise" by going north a few more blocks at an inter-city council meeting Monday. Campbell officials had favored Payne Ave. as the line between the two cities.

However, negotiations on annexation "spheres of influence" which ended in a stalemate after a two-hour session may be opened again a San Jose city official indicated later in the week.

The two city councils at their Monday meeting failed to agree on a Payne-Hamilton compromise. The Campbell delegation, led by Mayor John M. Chargin, maintained that Payne Ave should be the boundary between the two cities because a number of property owners in that area had already signified their desires of joining Campbell.

San Jose offered the compromise that the boundary line should run along the proposed extension of Moreland Way, about half-way between Payne and Hamilton. Campbell's "big brother" had originally claimed that Hamilton should be the line but "conceded" to move back a bit in their compromise offer.

The area in contention, now under county jurisdiction, involves some 200 acres between Moreland Way and Payne Ave. on the north. The Campbell group also objected to setting up a boundary in an area where no streets are yet developed.

San Jose claimed, however that the drainage of the area in question would be San Jose's eventual responsibility anyway. The two councils agreed amicably to a degree to the southern and eastern boundaries and only really got into deep water on the Payne-Hamilton "no-man's land".

It was emphasized by San Jose City Dads that there would be "no deal" if the two groups failed to get together on a definite decision of boundaries and it would mean more or less open warfare for the territory.

Later in the week, however, San Jose officials notified Campbell council members that perhaps a compromise might still be worked out. It is expected that another meeting of the two groups will be held.

Campbell city officials have met with San Jose a number of times in the past but no definite agreement on "spheres of influence" have ever been worked out. They are hoping that something might develop in this case.

Mothers Battle

It was mother cat versus mother 'possum in a shed at the rear of the residence of Miss Ruby Crow, 50 S. Third St., Tuesday night. The possum came out of it the loser.

When Miss Crow investigated a commotion about midnight she thought something might be after the nine baby kittens and their three mothers housed in the shed. She was right.

She found a 'possom in their midst. Miss Crow pulled the animal by the tail and the three mother cats then joined together to attack the invader. The 'possum fought back but was killed by the overwhelmin odds of the felines and a hatchet in the hands of Miss ....Crow.

The oppossum was carrying a pouch full of baby 'possums on its nocturnal foray.

LIONS PLAN PARTY

Plans for the "Tail Twisters" party were discussed at the Lions Club meet last Tuesday night, when William Quigley presided.

Installation of officers for the coming term was also discussed.

Bob James and Verle Grizzle reported on the state convention

Numbers Shrink!

There was an official shrinkage of house numbers Monday night.

House numbers under the new numbering system now in the process of going into effect must be a least 1½ inches in height.

Up until last Monday night, however, the prescribel minimum was 1 3/4 inches.

It was revealed at the City Council meeting that an organization of the Congregational Church had ordered numbers prior to designation of the size by the Council. The organization plans to sell them to individuals and businesses.

It was discovered upon receipt of the batch that the digits only measured 1½ inches.

By official action the City Council then changed the resolution so that the church people's numbers would meet the required specifications.

But Council members agreed that they didn't think they should shrink 'em any more.

Campbell High Musicians Score With Activities

By Mary Friedman
(Campbell High School)

The several different organizations of the music department have been working very hard this past year performing for different groups. The big events have been the variety show in the fall, the Christmas Show, Spring Concert, and the State Music Festivals.

On May 10 the a cappella choir traveled to San Mateo to attend the State Music Festival. This took in all the choirs and glee clubs in California that wanted to attend. Our choir sang three numbers for the actual rating. They were, "Sing and Rejoice", "Salvation is Created", and "Misere Mei".

After this the choir was sent to an adjoining room and given a number that they had never seen or heard nad after Frank Triena, director, talked it over for two minutes the choir attempted to sing it. Last Tuesday at a regular student body assembly the results of the festival were announced as the director presented Ethel Dorman, student body president, the two certificates for Superior in both events. The student body is very proud of the choir to have achieved this and all the members are also very proud to belong to such a fine organization.

Campbell High also sent seven vocal soloists to the festival and they also came home with some good ratings, Marilyn Owen, excellent; Jan Shelton, excellent; Sharon Ray received a good rating; Nick DeRose, superior; Barbara Tilley, superior; Diane Patterson, superior; and Judy Clark, excellent.

On May 5 several members from the band and orchestra attended the State Music Fetival for instrumentalists. These also came back with good ratings, Larry Tyrell, superior; Judy Prows, excellent; Carol Brash, excellent; Steve Janzen, superior; Susan Quist, superior; and the string quartet consisting of Judy Prows, Carol Brash, Janet Meckler, and Mary Page, excellent.

Through the past year the music department has given many performances and shows. Just to mention a few of the organizations are band, nine football games, several parades, club meetings around Campbell, assemblies, and the annual Spring Concert. The choir has sung for club meetings, the P. T. A., Christmas Show, Spring Concert, and many others. The orchestra and glee club performed at the Christmas Show, P. T. A. programs, and Spring Concerts. The orchestra and choir will be performing at the Senior Baccalaureate on June 10 at 5:00 and the band and choir on June 15 at 2:30 for Graduation.

The Music Commission has worked hard under the direction of Mr. Triena and Bill Perkins this past year especially on the Spring Concert. This helped raise money for the coming year to send students to festivals and buy the award pins given to three and four students.

"I am very proud of the Choir this year for the superiors in the ratings and also for the soloists, I hope we continue this through the coming years", stated Mr. Triena.

CARS COLLIDE HERE MONDAY EVENING

Two cars came together at the intersection of Central and Grant Avenues in Campbell at about 7 p. m. on Monday and as a result one of the drivers had to be taken to the hospital from injuries suffered in the collision.

A car driven by Laurance Stark, 19, 472 Central Ave., was traveling south on Central when it was struck by a vehicle driven by Manuel R. Silva, 51, 96 Harrison St. who was going east on Grant Ave.

As a result of the impact Stark's car traveled 120-feet to end up against a side of a house on Central Ave.

Silva was cited for going through a stop sign and having no license in his possession by Gordon Rooney, Campbell police officer, who investigated the accident. Silva was taken to the County Hospital to be treated for his injuries.

KIWANIS CLUB HEARS QUARTET

Kiwanis Quartet made an imphomptu appearance at the Kiwanis meeting last Tuesday and presented several numbers. C. P. Klassen, Herbert Neale, Lloyd Nelson and Howard Guilbert, quartet members were accompanied by Mrs. Erma Sanders.

Ralph Hyde followed with several colored slides from his collection, that won his honorable mention in a camera club. Art Mayo also showed colored slides of California scenery.

SAN TOMAS SUMMARY

San Tomas creek will not have a water conservation dam according to Water Conservation District engineer, J. Roberts Roll.

It has been determined that the danger of floods can be averted by deepening, straightening, and in places concrete walling of the existing channel.

The new bridge for Lovell St. is almost ready to come off the drafting board and should be advertised for bids this week or next. This column will attempt to follow through the paper work, until the time arrives that the county begins actual physical construction, so that local residents can check on it.

Rev. and Mrs. Lester Craft, and Darlene Regina have just returned from a month's vacation in Hot Springs, Little Rock, Arkansas.

They also visited the Rev. Craft's parents and his sister in Little Rock.

Joel Lee Craft, who is in the eighth grade at Campbell stayed home with his aunt, Cleo Quary, who lives in Campbell.

The Wedgewood Church Missionary society quilted a quilt in their absence, and are started on another one. Rev. and Mrs. Frank Ross from Mountain View had charge of the church in the absence of the Reverend Lester Craft.

Cub Scout pack 30 marched in the parade which opened Scoutarama. They also had a booth. Mr. and Mrs. Jacob Fischer, Mr. and Mrs. Wm. Good, Mr. and Mrs. Robert Dulas, Mr. and Mrs. David Graham-Armstrong, Mrs. Ray Vierra, Mr. and Mrs. Andy Privul and Mr. El Plat were the adults who set up the booth, supervised the activities in the booth, and saw that somebody was there to answer questions.

The San Tomas Baptist Church is holding a series of lectures on the Christian Home to which the public is invited. Rev. J. Lynn Elder, professor of Pastoral Care at the Golden Gate Baptist Theological Seminary in Berkeley, is speaking Wednesday, Thursday (today) and Friday at eight o'clock.

The Campbell and the Cambrian churches are joining with San Tomas for this lecture series. Following the hour long talk there will be a question period for questions from the audience. The public is invited to attend.

Wednesday the Rev. Elder spoke on "Problems of the Christian Home". Tonight he will talk on the "Parent-Child Relationship". Friday his topic will be "Preparation for Marriage".

Rev. and Mrs. J. R. Warren were hosts at an old-fashioned,, home-made, ice-cream social last week. The guests were the older Training Union group. Mrs. Hester Stephens and Mr. and Mrs. Joe Payne, Ed Killigrew, B. F. Forrest, Oscar Walter were among the guests.

QUITO QUORNER

Den 3 of Cub Pack 35 elected Keith Ducote as denner, and David Fowler as assistant denner. At the pack meeting Friday, the Indian motif will prevail and all cubs and den mothers will be in Indian costume. The customary awards will be given out around the campfire. Albert R. Rueter is the new cubmaster, replacing Herb Raymond.

The Joker's Square Dance Group held open house Saturday, in a benefit dance for the Quito PTA, which sponsors it. Mrs. Virginia Johnson of San Lorenzo was guest caller.

This group meets every Wednesday in the school cafetorium with about five squares. Couples who would like to join are invited to get in touch with Johnny White at Fletcher Buick, or at his home, 641 Audrey Ave., San Tomas.

Couples who would like to learn square dancing may register at St. Justin's School in Santa Clara 7:30 June 25 for the beginning class which will open then. Johnny White also teaches at the Kennoyer Ranch on Bubb Road. Children who would like to learn square dancing can join Natlee Kennoyer's classes there. The Monday night class, which meets from seven until eight boasts an entire square of six-year olds. The Tuesday class, 6:30-7:30 is a little more mature, with its youngest member seven years old. Both classes are open for enrollment.

Delia Haines will be the new Room-mother chairman. At present she is busy working on the Los Gatos Fiesta, slated for May 26. Her organization, the West Valley Women's Club, is backing Danny Moore for queen.

The Priscilla Circle met at the home of Mrs. Donald Jolly last week for an authentic Chinese luncheon. Mrs. Jolly's parents were missionaries in the Orient, so Mrs. Jolly was fully equipped, even to chopsticks.

After lunch, the regular business meeting was held. The Priscilla Circle is the afternoon group of the Women's General Missionary Society.

"Sharing" Bluebird troop has four new members, Katherine Giacomazzi, Carla Hartke, Mary Welchert and Sue Groark. Mrs. W. P. Welchert and Mrs. William Giacomazzi will be co-leaders with Mrs. Jerry Close, leader, next year.

Buy A Poppy! And Help a Vet

"Poppy Day" has rolled around again, starting tomorrow when everyone will have a chance to buy a poppy to benefit needy veterans in our community.

Most of the funds collected here will remain in the community to help our friends and neighbors, with the remainder going to the National Home for widows and orphans supported by the V. F. W. and to help maintain rehabilitation service for all veterans.

Campbell V. F. W. Auxiliary Post No. 6035 will have poppies on sale in Campbell tomorrow and Saturday.

American Legion Auxiliary Unit No. 596 is staging their sale on the streets of Campbell tomorrow.

American Legion claims the distinction of originating "Poppy Day", tracing the origin back to 1918 when the first successful poppy sale was held in New York City. They have since set aside the fir[illegible] Saturday before Memorial Day for their annual sale of crepe paper poppies, made entirely by veterans.

Local Methodists Mark Dedication Sunday with Ceremony and Program

More than 300 members and friends of the First Methodist Church in Campbell attended consecration of the first section of the new church on Winchester Road last Sunday, when Bishop Donald H. Tippett delivered the consecration address.

Campbell's mayor, John M. Chargin, was on hand to extend greetings to the congregation, as were Rev. Corwin H. Olds, pastor of Campbell Congregational Church; Rev. Gilbert Christian, executive secretary, Santa Clara Valley Council of Churches; Dr. Elliott Fisher, district superintendent; Rev. Donald Baldwin, former pastor of the church, who is now district superintendent of the Sequoia District, who read the Scripture and gave the prayer; and Bishop Donald H. Tippett.

Camden Musicians Rate High at State Music Fest

Camden High School music students came through with flying colors at the recent State Music Festival when three out of four of their entries were awarded superior ratings, the highest award possible, and one entry received an excellent rating, the second highest award.

The achievement is more significant considering the school has been open for less than a year and Richard Gordon, music director, has been working with the students for a comparatively short time.

Jerry Bagg, with his rendition of "Adagio" by Mozart in a clarinet solo, received a superior rating. Joan Adams accompanied him. Jerry, a sophomore at Camden High, is first clarinetist in the Camden High Orchestra. He studies with Charles Rudd.

A drum solo, "Drummer of Liberty" brought John Mignosa an excellent rating. He was also accompanied by Joan Adams. Jerry, another sophomore at Camden, is the Camden High Orchestra drummer.

Superior rating was awarded Robert Waterbury for his vocal solo, "Tu Lo Sai" by Torelli. This sophomore is a member of Camden High Glee Club. Robert studies voice with Gus Lease.

Another superior rating was chalked up for the school by the Camden Hi Trio: Dianne Fammatre, violinist; Donna Fammatre, her twin sister, cellist, and Carol Bridges, pianist, when they played "Trio No. 1—Third Movement" by Haydn.

Dianne and Donna, sophomores, also play in the Camden Hi Orchestra, Dianne as the first chair violinist, and Donna, first chair cellist. Carol, the only freshman in the group, is pianist in the Camden Hi Orchestra.

The trio was formed at the beginning of the school year and since that time has made a number of public appearances before community and civic groups.

RATED SUPERIOR . . . Donna Fammatre, cellist; Carol Bridges, pianist, and Dianne Fammatre, violinist, instrumental trio, were awarded a superior rating at the State Music Festival held in Hayward High School on May 5.

Proceeds from the events will be used to purchase school equipment, with music stands for the school orchestra, being one of the first items to be donated by the club.

Mr. and Mrs. H.F. Whistler are chairmen for the festival with Mr. and Mrs. Robert Ferini as their co-chairmen. Mrs. Larry Cunha is dinner chairman.

STEINDORF CLUB MEETS

Steindorf Home and School Club held its first board meeting on May 15, when Mrs. Beverly Witzel, president, called a special meeting.

The group decided to sell peanuts and popcorn at Cambrian Fiesta to be held June 3 from 11 a.m. to 10 p.m., with proceeds of the sale to benefit Steindorf School.

The next board meeting is scheduled for Tuesday, May 29 at 8 p.m.

Country Women Attend Picnic

Spacious gardens at Villa Montalvo was the setting for Campbell Country Woman's Club annual picnic last Sunday, when the voices of Campbell High School's a cappella choir echoed through the grounds, compelling passers-by to pause and listen to the beautiful singing, according to members present.

The choir presented three numbers they sang at the State Music Festival recently, which brought them a superior rating.

The buffet style picnic lunch was spread out under the pergola

During the short business meeting plans were discussed for purchasing suitable officers' chairs and a table for the club, carrying out the wishes of the club's first president, the late Mrs. Ida Price. Mrs. F. Albert Ellis presided at the business meeting.

Mrs. Norman Houge was chairman for the picnic, assisted by the following members: Mmes. Glenn Kellogg, Dean Chamberlin, R. L. Nelson, Lillian Olson, Nellie Rutherford, W. W. Johnson, J. B. Collins and Sherman Lombard.

EDITORIAL

IT'S NOW THE LAW —

The long-discussed house numbering plan for the City of Campbell is now the law of the city and all residents must sooner or later comply with it.

The city has been divided into 16 sections for the purpose of issuance of numbers and the over-worked building inspector's office will notify one complete section of town what the new numbers are before starting on the next.

We all know the inconvenience any numbering change involves.

Each resident and every business man will be involved in a confused state of affairs as far as their numbers are concerned until the new system is well established. That is a basic fact.

It means changing addresses on magazines, newspapers and everything else on which there is an address. It means getting new bill-heads, new statements, new stationery or the marking out of the old address and inserting the new one.

But every person should be familiar with what the new plan entails. We have had plenty of time to think of it. We are convinced that when the new numbering system is finally in operation it will be appreciated by all of us. But it is only human to balk at changes that will cause inconvenience.

Some concerns and some residents will be more affected than others. For example, in order to make the telephone directory that will be issued in the fall up-to-date, all the Campbell addresses must be changed in the book.

We can also foresee considerable confusion in the delivery of mail, not to mention problems in newspaper distribution.

We suggest that everyone cooperate with the city officials and the postal department in order to get the new number system into effective operation with the least amount of delay.

It is now a city law. We have it. It has been determined that some plan was needed and such a system has been adopted.

Now all that remains is for the change-over to be carried out as efficiently as possible and as painlessly.

We can all help the deal along by cooperating. It will not do any good to be a rugged individual in a case like this. To be the last person to put up the new numbers in your block will not gain anything except possibly animosity from some quarters.

The faster the change-over is made, the better it will be for all concerned.

And the less frayed tempers will be.

A GOOD SUGGESTION

Postmaster Ira Grim has suggested that as long as the house numbers in the City of Campbell are being changed why not change all the numbers in the Campbell postal district to conform with the city plan.

We think that is an excellent idea and should be carried out, provided the county officials are agreeable.

Postmaster Grim points out that the area covered by the Campbell post office takes in a much greater area than just that territory within the city limits of Campbell.

He explains that it is entirely possible to have duplicated numbers in the Campbell area on the same street. He cites the possibility of a certain street following the city numbering system within the city limits and then continuing on in county territory still within the local postal district, but following different numbering systems. He foresees the possibility of the county numbers being the same as the city's on the same street.

The postmaster has written a letter to the supervisors explaining the situation.

We think his point is well made and that the county officials should consider the matter now while Campbell is undergoing its renumbering plan.

Those of you who have attempted to describe to a stranger the route to be taken to find your home in this area will agree, we are sure, that Postmaster Grim is on the right track.

Just think how rough it would be if you discovered your house number was the same as the one on the same street down the road a-piece.

We hope that the supervisors will agree with us also.

We are getting pretty exasperated in trying to keep hub caps on our Olds. While attending a City Council meeting recently the two hub caps on the street side were stolen from our car.

That made the third time (in three different cities) that we have lost our hub caps to thieves in the night.

In all cases youthful delinquents, rightly or wrongly, have been blamed fo rthe thefts. We don't know about that but, if it is true that kids are taking 'em to use on their hot rods, it is a rather terrifying thought.

If the kids, on the other hand, are swiping them and reselling them to a "fence", that is even more of a tragedy.

True enough in our case, except for the inconvenience it causes us, the insurance company is the loser. We imagine the companies are getting pretty fed up with it all. We certainly can't blame 'em, for our hub-cap situation is not an isolated case.

—o—

We have been told that the same thing happens all over the country with Oldsmobiles being the victims in more cases than any other make. It seems that the hub caps of the Olds fit many other cars, especially those of ancient vintage that have been souped up.

One guy told us that at one sports event he knew of, hub caps were taken from 27 Oldsmobiles.

It is a disgusting commentary on morals of the younger generation, if they are the ones who are stripping these cars.

Two hub caps for our car cost us (or the insurance company) a little more than $11. That makes more than $30 the insurance companies will have spent on us for thefts. True that in itself is not a big sum, although totalled it amounts to a tidy sum. But to coin a phrase, it's the principle involved that really bothers us.

—o—

It would be a dirty shame, if car owners were forced to go around with hub caps just because they couldn't trust the younger generation of the cities. Mind you, we are not absolutely certain that kids are to blame but, as we said, cops have blamed them for the thefts in every case so far.

—o—

Not so long after we had lost our first set we happened to see a road-side joint in which hub caps (literally hundreds of 'em) were prominently displayed. We thought it could be a "fence" but we could not see how we could prove it.

We felt like walking in and demanding a set for our car but realized how silly that would be, for there is no special identification, as far as we know, on any hub cap, although we guess a guy could stamp his name on 'em.

We probably could drive around without hub caps but it's a shame to do that because our car without 'em looks half-dressed and could possibly be charged with indecent exposure.

Larry Hill told us the other day that there is a predominance of male applicants for the positions of teachers in the high school for next year. He mentioned that men applicants outnumber women by a ratio of 20 to 1. That's an unusual turn of events because it has become a common practice to refer to teachers as "she".

This was brought out the other night at the forum that took place before the trustees election.

One of the speakers kept referring to teachers as "she" and "her".

Finally Dick Gordon, head of the music department at Camden High had his fill of these reference.

He rose to a point of order and asked the speaker to look around the room and pointed out that there were more "he" teachers than "she" ones in the crowd.

That's something to remember. The old order changeth.

Running a city as a member of the City Council is not all peaches and cream. Hardly a meeting goes by without some sort of perplexing problem to settle. It is sometimes difficult for a councilman to know whether or not he is making the right decision and it is often trying on his nerves.

This was illustrated at a recent council meeting when freshman councilman, Myron Fairchild, bummed a cigarette from former mayor, Dick Morton.

Dick publicly called this act to the attention of all in the room.

"Just two council meetings," Dick commented, "and Myron has taken up smoking."

VEHICLE CHIEF EXPLAINS AUTO INSURANCE LAW

State Motor Vehicles Director Paul Mason this week again reminded California motorists of a new law which could "ground" not only the driver but the auto of a financially irresponsible person involved in accidents causing property damage, bodily injury or death.

The new act, which goes into effect July 1, requires the Department of Motor Vehicles to suspend the registration and license plates when the driver or owner of a vehicle involved in a reportable accident fails to comply with the security requirements of the law.

(A reportable accident, Mason explained, is one resulting in death, injury or property damage in excess of $100).

California's new financial responsibility law was passed in 1948, and originally applied only to the driving privilege of persons who were unable to satisfy damage judgments growing out of accidents for which they were to blame.

"Every driver involved in an accident in which there is death, injury or property damage in excess of $100," Mason said, "is required by law to report the accident to the Department of Motor Vehicles on a regular form available from the department, law enforcement agencies and insurance companies. The DMV does not place blame. That is the province of the courts.

"This security phase of the law is known as proof of ability to respond in damages. Such proof may be either an automobile liability insurance policy, a surety bond or cash deposit with the State Treas-

"Failure to post the security required," Mason added, "may result in suspension of the driver's license and the owner's registration certificate and plates. In such a case, the registration card and plates must be given up to the Department, and the car must be stored at the owner's expense for the term of the suspension."

FHA HONORARY MEMBERS . . . Sonja Benson, FHA secretary and Arlene Bese, present Mrs. Olga Bese with honorary FHA membership, while Tony Russo, school gardener, receives a similar award from Leora Scattini, FHA president.

Mrs. Bese, Tony Russo Honored at CUHS FHA Mother-Daughter Banquet

When Campbell High School's Future Homemakers of America held their annual Mother-Daughter banquet at the high school recently, Mrs. Olga Bese and Tony Russo, were singled out for their outstanding contributions to the group to receive FHA honorary memberships.

Mrs. Bese, who has been a faithful Chapter mother for eight years and helped the group in a number of ways during these years, was cited for her interest and contributions to the girls' activities.

Tony Russo, school gardener, was also lauded for his many helpful acts. Among his praiseworthy deeds were his help in planting and caring for the rosebushes the Chapter presents to the school annually, and he has gone beyond the call of duty in providing flowers for the rooms.

Following the banquet the chorus presented the FHA chant, with the following girls taking part: Joan D'Innocenti, Arlene Bese, Sylvia Barkman, Carol Young, Frances Rodriguez, Leora Scattini, Laurie Hammonds, Connie Bulkley, Betty Hames, Billie Kolbo, Janice Polglase and Sonja Benson.

Following girls were awarded Junior achievement degrees: Ardyth Anderson, Sharon Bayles, Jeannette Bonney, Sylvia Barkman, Connie Bulkley, Jackie Granata, Billie Kolbo, Barbara Lorenz, Shirley Parton, Mary Ann Phipps, Barbara Schwenke, Kathleen Ertel, and Darlene Testa.

Sonja Benson, Betty Hames, Dolores Machado, Janet Mayeda, Susan Nomura, Janice Polglase, Laura Raab, Verla Raab, Gayle Sadler and Joyce Takano received Chapter degrees.

Arlene Bese and Carol Young were named candidates for State degrees.

WHAT'S DOING

T. K. Nordheim, your Telephone Manager in Campbell

N. A. Kulish presents check to Roy P. Emerson, tax collector. This check is for 1955-6 Ad Valorem property tax.

WHAT MAKES A COMPANY A GOOD CITIZEN?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of $1,223,996.85 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Wish them well—by long distance

A wedding is one of the most important events in their lives. And a long distance call, wishing them well as they step out together, will make them feel extra good. For occasions like this or when you just want to take a few minutes to say hello to someone special, long distance is the warm and close way. Why not look in your directory and see how very little it costs to call someone very dear to you.

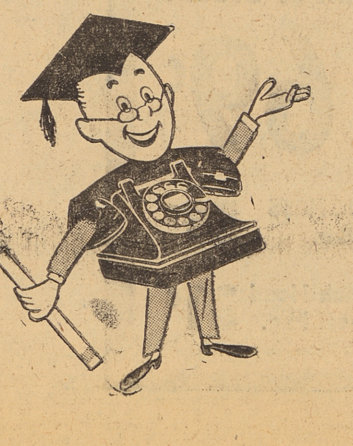
GETTING THE CORRECT NUMBER



In Campbell over 45,000 calls are dialed each day. To be sure you reach the correct number you are calling, (1) jot it down, if necessary, (2) listen for dial tone, (3) avoid confusing the letter "O" with the numeral "0," (4) the letter "I" with the numeral "1," (5) dial firmly, bringing the dial fully around to the fingerstop and let it return of its own accord.

District Sponsors Summer Baseball League for Boys

It is expected to have between 15 and 18 boys on each team. The 13-year old group will meet this Saturday, May 26, at the Campbell High diamond between 10 a.m. and 2 p.m. The 14-year old group meets on June 2 at the same time and place and the 15-year old bracket meets on June 9.

BUCS TO ENTER BERKELEY MEET THIS SATURDAY

Coach Bill Priddy, of the Campbell High School champion track team, will take six of his varsity trackmen and two B's to the Northern California Sectional finals in Berkeley this Saturday.

The first three places in each event in the varsity competition will go on to the state meet in Chico which will take place on June 2. The B's, however, will finish the season at Berkeley.

The Bucs, who won the Santa Clara Valley Athletic League championship meet in Los Gatos last week, finished in a tie for seventh place in the sectional meet in Salinas last Saturday and the B's did likewise in their division.

Mike Profit, stellar weight man, was the only Buc in the varsity events to pick up a first place in Salinas. Ken Sweet got a fourth in the broad jump, as did Max Kinsey in the pole vault. Monty Nielsen took fifth in both the 100 and 220 dash events and the relay team composed of Glenn Cureton, Sweet, Dave Alvarez and Nielsen took fifth in the relay. They will be entered in the same events in Berkeley on Saturday.

All of the Campbell tracksters are expected to do better than they did at Salinas where Kinsey was bothered by his hands slipping on the pole in the pole vault and Nielsen did not run his fastest. Profit may score a first at Berkeley and has his sights on a first in the state meet in Chico.

In the B's Mac Perez, in the 120 yard low hurdles, has turned in one of the fastest times in B competition with his 13.8 and is expected to do o. k. at Berkeley also. Jerry Cradduck, in the high jump, is the other B entry from the local school.

Only one of the participants, Kinsey, will be lost from the track squad for next year and Coach Priddy expects his next year's outfit to be even stronger than this which walked away with dual meet honors as well as winning the SCVAL championship.

CAMPBELL WINS SCVAL TRACK TITLE

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

HAIL THE SCVAL CHAMPS! . . . Pictured are the members of the Campbell High School track team, winners of the Santa Clara Valley Athletic League championship. Six of the team will compete in the Northern California Sectional finals in Berkeley this Saturday... Back row, left to right, Charles Cardona (440); Russ Cahill (discus); Tom Jenkins (discus); Terry Boone (high jump); Ken Sweet (broad jump-relay); Vern Walton (discus); Ray Christiansen (pole vault); John Dial (high jump); Ron Reeder (mile); Front Row, left to right, Coach Bill Priddy; Greg Hoffman (880); David Alvarez (relay); Glenn Cureton (440); Max Kinsey (pole vault); LeRoy States (mile); Monty Nielsen (sprints and team captain); Mike Profit (shot put).—Campbell Press photo.

THE MIGHTY MITES . . . Campbell High School's D track and field team walked away with the SCVAL track and field championship in the league meet held in Los Gatos last Saturday. And it only took FIVE of 'em to do the job. Pictured are the champs from left to right with their coach, Bill Priddy, bringing up the rear, Fred Tashiro (low hurdles, shot put, hop-step-jump (he won 'em all) and relay); Dennis Yasuda (50-yd, 100-yd, and relay and captain of the team); Henri Zander (high jump and relay); Nick Speno(pole vault-relay) and Dennis Seger (broad jump.)—Campbell Press photo.

Another Santa Clara Valley Athletic League Championship for Campbell High was tucked away last week when the Bucs scored 83 1/6 points in the track and field championship meet held in Los Gatos.

Actually the Bucs gained two championships at the same time, for mighty mites of the Bues in Class D also won the crown of the league in a close race with Santa Clara. The little Bucs made 58½ points, Santa Clara 46½, Fremont 31, Washington 17, Sunnyvale 14½, Mountain View 11 and Los Altos 3.

Fremont edged James Lick for the runnerup spot with 64½ to 63 5/6 in the varsity competition. Mountain View followed with 17, Los Gatos 16½, Santa Clara 12, Washington 6 and Camden 3.

Fremont Wins B-C

Fremont won both the B and C titles. In the B class, Fremont racked up 68 2/3, Mountain View 45½, Washington 41 5/6, Los Gatos 41, Santa Clara 40, Campbell 28, Camden 10 and Sunnyvale 1.

In Class C. Fremont scored 56 5/6; Sunnyvale 43 3/4; Santa Clara 29½; Los Altos 22 5/6; Washington 17 3/4; Mountain View 12½; Campbell 10½; James Lick 7; Los Gatos 6 1/3 and Camden 1.

Campbell accounted for three of the four new league records that were established in the meet with Mike Profit taking individual individual honors by tossing the shot 57-7 3/4, his best heave so far and cracking the record of 56-2½ which he set last year.

Monty Nielsen, speedy Buc dashman, copped both the 100 and 200 yard sprints. Karpen of James Lick in the hurdles and Nielsen were the only double winners of the night. Nielsen ran the 100 in :10.3 and the 220 in :22.5.

Max Kinsey, Buc pole vaulter, set a new SCVAL record with 12-3 3/4 beating the mark of another Buc, Borg of 12 ft. set in 1937.

Another new record was set by the Campbell relay team, anchored by Nielsen. The team lowered its own mark set in 1954 of 1:32.7 to 1:32.3. On the team with Nielsen were Glenn Cureton, Ken Sweet and Dave Alverez.

The relay event was enlivened by the fact that the Fremont runner ran the final leg without the baton, failing to grasp it from his teammate. The judges missed it and Fremont originally was given second place until Bud Smith, the Fremont runner, admitted to oficilicals what had happened.

Glenn Cureton in the 440 at :52.3, Russ Cahill, with 125-1 in the discus and Terry Boone and John Dial 5-8 were other Buc first placers. Boone and Dial tied with Lick's Saldivar.

5-Man D Team

Only five men made up Campbell's champion D track team that racked up 58½ points. Fred Tashiro had things his own way in the low hurdles, shot put, hop-step-jump and was a member of the relay team. His team mates were Captain Dennis Yasuda (50-100-relay); Henri Zander (high jump, relay); Nick Speno (pole vault, relay) and Dennis Seger, broad jump.

Other Point-makers

Other Buc varsity trackmen who picked up the needed points to give the locals the championship included, Greg Hoffman, fifth in the 880; Ken Sweet, second in the broad jump; Charles Cardona, fourth in the 440; Verne Walton, fifth in the discus; Russ Cahill, fifth in the hop-step-jump; Ron Reeder, third in the mile; Christiansen, tied for fourth in the pole vault.
